Sneeze Guard Barriers

Designed to integrate into reception, open-plan offices and point of sale areas, these screens are easy to wipe clean and sanitize to help maintain a healthy environment. Several mounting options allow the screens to be easily secured and removed without damaging the existing furniture or used as a permanent fixture.

Modular Linkable Panels

These thermally fused laminate panels are easy to clean, with a diluted bleach solution. They can also be easily reconfigured to suit your needs as your business develops. Available in Designer White or Absolute Acajou laminates finishes. Frames are available in Designer White or Tungsten.

Consultation Booths

These booths add additional protection for front line personnel in healthcare, retail, customer service and reception applications. They feature a front work surface with a document slot. Internal grommets or an optional ceiling feed gives access to power and data wires. Comes in Designer White and can be combined with the linkable panels to be a part of a dividing wall.
